RE: NOTIFICATION OF EXPORTING USED INTACT CRTs FOR REUSE

This letter is to notify your office that, Amin Corp., located at 689 North Main Street, Leominster, Massachusetts 01453, intends to export working computer monitors containing intact Cathode Ray Tubes for resale in large volumes to the following company in Faisalabad, Pakistan for reuse:

Amin Traders
95A Officers Colony #2
Madina Town, Faisalabad
Pakistan
Phone (US) 978-549-2222
Phone 011 (92) 300 6624665
rashidamin246@gmail.com

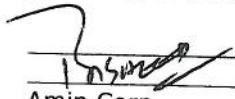

Over a twelve (12) month period, from January 1, 2015 through December 31, 2015, it is estimated that approximately thirty- forty (30-40) container loads of working CRTs ready for reuse / resale will be shipped. The estimated frequency of the shipments will be between three and four (3-4) container loads each month. The total projected weight for the twelve month period, is approximately 253,000 kg of working CRTs ready for reuse / resale.

The CRTs will be loaded into an overseas container and transported to the United States port of the corporation's choice. Once received in port, the containers will be loaded onto the vessel designated by the overseas carrier. All shipments will be shipped direct from the United States port to Port Qasim in the destination country, Pakistan. From receipt in Port Qasim, the container will be unloaded from the overseas vessel and transported by road to Amin Traders, located in Faisalabad, Pakistan.

Upon receipt by Amin Traders, the CRTs will be inspected for any damage that may have occurred during transit. All undamaged working CRT units will be resold through the secondary market in the Pakistan region. Any CRTs that have been found to be damaged and/or no longer functional, will be stored at the Amin Traders facility until the quantity has been reached to allow for shipment back to the United States for proper recycling. These damaged and non-functioning units will be recycled by C.R.T.R., Inc. of Brockton, Massachusetts.

Thank you for your attention to this matter.

I certify under penalty of law that the CRTs described in this notice are intact and fully functioning or capable of being functional after refurbishment and that the used CRTs will be reused or refurbished and reused. I certify under penalty of law that I have personally examined and am familiar with the information submitted in this and all attached documents and that, based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment.
